should be organized in this regard. Development Commissioner suggested to fix up a dateline for joint investigation into the atrocity cases, submission of report and payment of relief in deserving cases. The datelines may be worked out by the ST & SC Development Department in consultation with Home Department. Such arrangement should be given wide publicity for general information of all concerned.

3) Appointment of more number of Dy. Superintendents of Police:

The Committee discussed whether it would be possible to empower the Inspectors to deal with cases under POA Act. After detailed discussion, it was decided that Home Deptt. would examine the issue of direct recruitment of DSPs. in adequate numbers and for creation of posts of DSFs, since it is not possible to change the provision of Central Act. to empower Inspectors to investigate into the matters.

4) Display of hoardings for awareness generation on POA Act:

Hon'ble Chief Minister desired that hoardings for sensitisation of the Public regarding the provisions of PCK/POA Act should be placed in front of Police Stations/Panchayat Samities etc. by first of January, 2006, by utilising the funds already released by the ST & SC Development Department.

5) Workshops/Training Camps:

The members appreciated the decision to hold a state level workshop in December. Hon'ble Chief Minister desired that we may explore the involvement of NGOs and women SHGs for carrying out awareness programmes under the POA/FCR Act. It was also decided to take steps for greater awareness regarding legal aid scheme so that more persons of SCs and STs are given legal support.

6 & 7. Specific cases of alleged atrocities:

The Director General and Inspector General of Police stated that the police officers have been made aware of the provisions of the POA Act. and that this aspect is being given due importance in review at various levels. The Committee noted the reports given by the district authorities in each of the specific cases cited. The Committee discussed the report of Collector, Bolangir on the alleged forcible occupation and cultivation of the landed

The list of members participated in the meeting is at Annexure- 'A'.

Hon'ble Chief Minister welcomed the members of the Committee and explained the aims and objectives of holding the meeting. While the educational and economic development programmes for the members of the ST and SC communities are going on, it is necessary to see that laws relating to tribals and Scheduled Castes are enforced properly, so that their rights are protected. Since we have ST & SC population up to 3%, Hon'ble Chief Minister stressed that the machinery should ensure that the protection of law is extended timely. Wherever anybody indulges in any offences as per provisions of POA Act, and PCR Act, timely and visible action against the offenders needs to be taken.

The Commissioner-com-Secretary of the Department gave the background. The Committee discussed the agenda items as follows:

1. Review of performance of the district level committees: It is seen that the meetings are not being held as per the prescribed frequency i.e. once in three months. After discussion, the following decisions were taken: (a) The list of members of the Dist. Level Vigilance & Monitoring Committee should be provided to all the Mlas. and MPs.

(b) At the district level, the meeting of the Vigilance & monitoring Committee should be held once in three months without fail.

(c) Sri Bharat Raik, MLA, Ramgiri mentioned the issue of delay in payment of compensation or relief to the victims of atrocity in Gajapati district. It has been verified that the joint enquiry report from Collector, Gajapati is pending. After discussion, it was decided to get the report urgently and release the compensation amount without delay.

2) Review of atrocity cases registered, investigated and disposed: The members stressed the need for the prosecutors to be sensitive to the importance of these issues. It is found that several cases are ending in acquittal. Therefore, the prosecution and investigation wings need to work together. Joint training programmes...
property of Sri Khurushet Talcheta of village Badahat, Bisingha block. It was felt inconceivable that the tractor driver would attempt harassment without any involvement of the tractor owner. It was decided that KOC, NO, Sambalpur would conduct a field enquiry and furnish a detailed report. In the case of demolition of boundary wall of Sri Khurub Kumar Sethy of Kalpana area, Bhubaneswar, it was decided that the General Administration Department would recheck the enquiry report submitted by Collector, Khurda.

8) Amendment of rules: On the proposed amendment to section 4 of POA, Act, 1989 for punishment punishing public servants for negligence of duty under the provisions of the Act, it was reported that the matter is being examined by the ST & SC Development. Hon'ble Chief Minister desired that public servants should be more alert and should act more efficiently in discharging their duties for implementation of the provisions of POA, Act.

Hon'ble Chief Minister desired to hold the next meeting of the Committee before the next budget session of the O.A., as well as the Parliament.

The meeting ended with a vote of thanks to the Chair and Members present.
