**Sub:- Construction of hostels for ST Girls/ Boys during 2011-12.**

Sir/ Madam,

I am directed to say that State Govt. have aimed at to establish 1000, 100 seated hostels for ST Girls and Boys during the current financial year 2011-12. Out of that 300 hostel/ hostel complexes would be meant for Boys and 700 for Girls. In the first phase 850 nos. of hostels (296 for ST Boys and 554 for ST Girls) have been sanctioned to TSP and Non-TSP areas of different districts for execution through PA,ITDAs/ PD,DRDAs vide Letter No.16024 Dt.16.05.2011 of Chief Secretary, Odisha. Accordingly funds have been provided to concerned agencies. In addition to that it has been decided to set up few more hostels/ hostel complexes in the districts as at Annexure-I keeping in view the requirements of students and to encourage the tribal students for higher education.

Selection of boarders in the hostel complexes shall be done by giving preference to tribal students from remote and backward pockets of the Districts/ Block on priority. A Selection Committee under the Chairmanship of concerned district Collector and PA, ITDA (in TSP area) / PD,DRDA (in Non-TSP area) D.I. of Schools, C.I. of School (SSD Deptt.) shall be the members of the committee. DWO of the District shall be the Member Convenor of the selection committee. ST & SC Development Department vide its Letter No. 42764/SSD., dated 18.11.2010 had advised you to select the schools / institution having adequate undisputed vacant land of its own for construction of hostel with a built-up area of about 8000 sqft. You have already responded and have submitted proposals which have been examined by the Government. The places where hostel complexes are proposed may require additional Classrooms/sections and accordingly planning may be done to construct additional classrooms with funds from SSA/RMSA/State Plan funds. Similarly, you should take steps for posting of adequate teachers through proper rationalization in such schools.

## **2. Type Plan and estimate**

A standard type plan for 100 seated hostels is enclosed for reference at **Annexure-II**. You may suitably modify the plan depending on the availability of site and keeping the existing infrastructure in the identified schools in view. Wherever, 100 seated hostels have been constructed out of 2009-10 allocation and a new hostel is approved in the present list, effort should be made to have combined kitchen and dining hall. As regards the plan and estimate for construction of hostel complex/ clusters standard plan and design for 200 seated and 300 seated hostels has been supplied by ST & SC Development Department earlier. In case of requirement of standard type plan and estimate for 200/300/500 seater hostels, you may contact Mr.D.Satpathy, Director, OBC to send you the soft copies.

The hundred seated hostel should have a built up area of about 227.30 Sqmt. with 10 toilets (@1 toilet for 10 students) along with dining and kitchen rooms, overhead water tanks, ground water recharge pits, adequate septic tanks and soak-pits, main dormitories with exhaust fans. Toilets and dining rooms should have tile flooring and have piped water supply (from municipal supply or via underground source as the case may be). The building should have internal and external electrical installations. There shall be a boundary wall (mandatory for girl's hostels) around the hostels for safety of students. The warden quarter will be within the hostel campus. It is expected that the estimated cost of one such hostel with above specifications, boundary wall, water supply and internal/external electrification, etc. should not exceed Rs.45.00 Lakh i.e. RS.625/- per sqft. in any case and Rs.5.00 Lakhs is provided for amenities like cots. You may approve such adjustments in the estimated cost as may be considered desirable in site specific situations ensuring that the cost of the construction of a hostel is within Rs.50.00 Lakhs. The design for hostels in institutions of Higher Education (+3 and above) would be different and the revised ~~design and estimate would be communicated.~~ Funds for the hostels in Higher Education Institutions would be provided subsequently. All concerned shall observe due diligence and economy in constructions of such hostels without compromising the quality and safety standards. Educational Institutions run by H.E. Deptt. where proposed hostel (s) will be constructed shall be maintained and managed by them. An undertaking from the Head of Institutions regarding the commitment to undertake repair and maintenance along with engagement of cook-cum-attendant may be obtained. Collector of concerned district should verify the institutions of H.E. Deptt. where hostels shall be constructed and ensure that no hostel should be constructed in fully private institutions before sanction of fund.

## **3. Site selection and site development**

For the purpose of new construction, site selection and site development in the schools indicated by you should be done properly. The site selected should not have expensive soil or ditches requiring filling. It should not be swampy and otherwise unhygienic. While doing new construction care should be taken to ensure that building construction happens without compromising the circulation areas and

play area for the students. If need be, very old and dilapidated buildings may be demolished for taking up new construction. In case of change of location of a hostel in case of logistic difficulties or other difficult situation, the District Level Committee will take the final decision under intimation to the ST and SC Dev. Deptt.

#### **4. Provision of funds**

The ST & SC Dev. Deptt. is taking steps to provide funds under State Plan to start the work. As the requirement of funds for this undertaking is quite high, all efforts should be made to dovetail funds from other schemes/ sources including BRGF, MLALAD, MPLAD, RLTAAP, Peripheral Development Fund, Grants under Art-275(1) and other sources for the purpose. You are requested to pay special attention to this aspect and ensure convergence of funds from various sources.

#### **5. Executing Agencies**

ITDAs shall be the executing agencies for construction of hostel projects in TSP areas and DRDAs/ R.D. Department/ R & B Department shall be the executing agencies for Non-TSP areas. For the Non-TSP areas, the allotment is being made in favour of the Collectors and they will decide on the executing agency keeping in view the quality of supervising manpower and the efficiency of execution under intimation to this Deptt.. However the provision of Rs.5 lakh for amenities should be kept in tact for supplying cots. On completion of the building the same shall be handed over to the head of the institution by the executing agencies and the handing over report shall be signed by the head of the institution, the J.E concerned of the ITDA / Micro Project (TSP areas) DRDA / Block (Non-TSP areas) and the executants. Hostel building shall be inaugurated by prominent leaders of the locality and a plaque shall be erected at a conspicuous space indicating the name of the hostel following the name of a prominent tribal leader, source of fund from which it is met, capacity of the hostel and area of the hostel on which it has been built.

#### **6. Monitoring by Collectors/ RDCs/ ST & SC Dev. Deptt.**

Govt. in ST & SC Dev. Deptt. will monitor the construction of these hostel projects from time to time. A monthly progress report in the prescribed format given at Annexure-III shall be sent by the concerned executing agencies to Govt. in ST & SC Dev. Deptt. by end of every month. At the District Level, the committee will monitor and the constitution of such committee for regular monitoring of hostel construction had been communicated vide ST & SC Development Department Letter No.12883 Dt.08.04.2009.

#### **7. Hostels to be made functional**

The hostels shall be made functional in your district from the academic year 2012-13 without fail and you should take immediate steps for commencing the work and ensure regular monitoring to complete the construction.

8. Top priority may be accorded to this flagship programme in your district.

Yours faithfully

 25/11/2011

**Commissioner-cum-Secretary to Govt.**

Memo No. 35872/SSD, Dt. 25/11/2011

Copy forwarded to concerned DWO/ PD, DRDA/ PA, ITDA for information and necessary action.

 25/11/11

**Commissioner-cum-Secretary to Govt.**
