National Scholarship Portal (NSP) is an online scholarship portal for students who belong to Pre-Matric or Post-Matric category. The portal is designed to help students who have scored 90% or more in the examination.

Step 1: Visit the official website of the National Scholarship Portal (NSP) at www.scholarships.gov.in.

Step 2: Fill up the online application form with the required details.

Step 3: Submit the application form.

Step 4: After submitting the application, students should keep a copy of the application for future reference.

Eligibility Criteria:
- Students who have scored 90% or more in the examination can apply for the scholarship.
- The scholarship amount is determined based on the merit-cum-means criteria and varies from 6,000/- to 80,000/- per annum.
