Proceeding of the 3rd Meeting of Selection Committee held on 07.09.2011 in Conference Hall of OSFDC.

.....

The Meeting of Selection Committee, constituted for empanelment of Training Institutions was held on 07.09.2011 at 3.30 P.M in Conference Hall of OSFDC, Lewis Road, Bhubaneswar. The Managing Director, OSFDC Ltd. presided over the meeting. The following members of Selection Committee attended the Meeting.

- (1) Shri Sushil Kumar Popli, IFS, Managing Director, OSFDC.
- (2) Shri Jayanta Narayan Sarangi, OAS-I, Deputy Secretary to Govt., SSD Deptt.
- (3) Shri Debaprasad Dash, OAS-I, General Manager, OSFDC Ltd.
- (4) Shri Pramod Kumar Patnaik, OWS, AGM (Project), OSFDC Ltd.

The office bearers of different Govt. & Private Institutions, as per list mentioned in Annexure-I were also invited for discussion. These Institutions have been approved by this Committee in its meeting held on 06.08.2011.

At the outset the Managing Director welcomed all the Participants in the meeting. He explained the need for conducting various placement linked training programmes to enhance the employability of SC/ST youths during 2011-12. While scrutinizing the comparative statement of training costs, offered by different Training Institutes for parallel training programmes, it was noticed that some Institutions have quoted higher training costs in the financial bids statement. Managing Director, OSFDC emphasized upon the rationalization of training costs for conducting various Skill Development Programmes and requested the Training Institutes to reconsider for lowering of training costs including lodging and boarding charges and submit the revised proposals to OSFDC by 9.9.2011.

The General Manager, OSFDC pointed out that the Training Institutes should provide 75% placement guarantee for PLET programme. Any deviation would invite penalty and deduction of training cost of Institutions. The Committee in its last meeting dated: 06.08.2011 has approved, 5 nos. of Govt. and 7 nos. of Private Institutions for conducting training programmes in first phase. He also mentioned that as there are hardly 6 months left in this calendar year, OSFDC will make all out effort to start the training programmes within a month after completion of all formalities such as selection of eligible ST/SC candidates through advertisement and awareness camps, organized at district level.

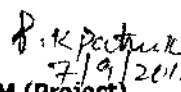

Some of the representatives of Training Institutes, while expressing their views on various terms of reference, emphasized upon the need of Screening the ST/SC candidates for admission into various technical courses of Placement Linked Employability Training Programme. M.D, OSFDC clarified that the Govt. would focus on enrollment of target groups mostly belonging to BPL facilities and School dropouts, staying in interior pockets of Odisha. Hence the Screening of candidates on the basis of merit would not be desirable. The Training Institute should concentrate on rural areas in choosing the centres for conducting the training programmes so as to enroll maximum number of candidates in the training programme and to avoid an urban bias.

Further the Training Institutes were requested to reconsider on rationalisation of training cost and submit the revised proposal by 9.9.2011. They were also requested to furnish the details of training programmes & list of centres to be selected at first place, taking account their carrying capacity to conduct training programmes in this calendar year.

The meeting ended with vote of thanks to the Chair.
