Section 1 - INTRODUCTION

1.1 ST&SC Development Department and Minorities & Backward Classes Welfare Department:

The Scheduled Tribe & Scheduled Caste Development and Minorities & Backward Classes Welfare Department is the nodal Department of the State Government for the welfare of the ST, SC, Minority and Backward Communities. As education is the strongest medium of empowerment and of reversing the disadvantaged position of these communities, one of the major thrust areas of Department’s activities has been the promotion of education among its target communities. The Department runs 1670 schools to provide primary, upper primary, secondary and senior secondary education to the children of SC and ST communities and more than 4.35 lakh students study in these schools. This apart, extending residential facility to tribal students for accessing education is another major focus of the Department and presently 5146 Hostels are functional in the State providing residential facility to over 4 lakh ST/SC students. The Department also provides Pre and Post Matric Scholarship to ST, SC, OBC & Minority students for pursuing different general and technical courses.
