1. Introduction

The Terms of Reference (ToR) serve as a request for proposals from firms/companies that are interested in providing human resources for the Scholarship Management Unit (SMU) of the ST & SC Development (SSD) Dept., Govt. of Odisha.

2. Background

Scholarship is one of the most important schemes of the ST & SC Development (SSD) Department aimed at incentivizing the parents of disadvantaged ST, SC, OBC & Minority communities for continuation of the education of their wards and thereby accelerating the educational attainment among these disadvantaged communities. The increased volume of applications for the Scholarship Schemes over the years is one of the major indicators of genuine interest and requirement of the beneficiaries. Being the nodal department, SSD Department is implementing different Scholarship Schemes for ST, SC, OBC and Minority students. The scale of the Scholarship Programme is considerably high in the Department with about 20 lakh students being covered under different Pre & Post-matric scholarship schemes.

Managing such a large volume programme with limited human-resources poses significant challenges of poor targeting, inadequate monitoring, and slow pace of IT interventions & system reforms. The Department has therefore decided to set up adequately staffed technical team in form of Scholarship Management Unit to exclusively manage all aspects of Scholarship programme and act as a support unit under the administrative control of the SSD Department.

Further, The SSD Department runs 1670 residential Educational Institutions to provide primary, upper primary, secondary and senior secondary education to the children of ST communities and more than 4.3 lakh students study in these schools. Ensuring well-being and safety & security of the boarders, especially girls, is one of the significant challenges in front of the Department. For the regular monitoring of these schools and hostels, ST&SC Development Department has taken a decision to constitute a School and Hostel Monitoring Unit within the Department staffed with contractual technical staffs.

The Dept. is therefore proposing to hire the services of an Agency that will undertake the requisite deployment of professional staff at the State and district levels for Scholarship management Unit and School and Hostel Monitoring Cell.
